CITY OF BOSTON
AUDITING DEPARTMENT
CITY HALL

January 1, 1968

To the Honorable The Mayor and City Council,
City of Boston,
Boston, Massachusetts.

GENTLEMEN:

In compliance with the provisions of chapter 3, section 25, and chapter 6, section 8, of the Revised Ordinances of 1961, I herewith submit my report of the receipts and expenditures of the City of Boston and County of Suffolk for the year commenced January 1, 1967 and ended December 31, 1967, together with miscellaneous tables and statistics.

Cash Operations

The accounts and records for the year 1967 indicate that the operating surplus for the year was \$2,565,301.00. This result was brought about by these factors: actual receipts were more than tax levy estimates and appropriations from surplus by \$1,552,304.01; the appropriation in the 1967 tax levy for overlay deficits amounted to \$98,477.70.

The accumulated operating surplus as of December 31, 1966 was \$2,413,235.77. After application of the accumulated operating surplus for 1967, the accumulated operating surplus as of December 31, 1967 was \$4,978,536.77.

During the year, it was necessary to issue short-term loans in anticipation of revenue in the amount of \$64,000,000.00. All of these loans were repaid by November 2, 1967, and there was no short-term debt outstanding at the close of the fiscal year.

The practice of investing cash not immediately needed for current operation in United States Treasury bills was continued. The sum of \$79,298,180.15 was invested during the calendar year and income of \$215,045.27 was realized.

Debt Operations

During 1967, the gross funded debt increased by \$22,762,000.00 and the net funded debt increased by \$24,398,751.48. Debt was issued in the amount of \$37,200,000.00 and the redemption of debt amounted to \$14,438,000.00. All of the debt issued was general obligation debt. The redemption of general obligation debt was \$12,776,000.00 and the redemption of sinking fund debt was \$1,662,000.00.

Conclusion

During the fiscal year 1967, all known obligations of the city were either paid in full or adequate reserves were established to provide for eventual payment. All funded and short-term debt obligations were paid when due. Interest payments on all forms of outstanding debt were promptly made.

The form of this report follows closely that recommended by the National Committee of Governmental Accounting. Under the present accounting procedure of the city, accounts are maintained on a modified accrual basis. Taxes and accounts receivable are accrued for balance sheet purposes, but not reflected in the receipts of the city until collected.

Respectfully,

JOHN F. FITZPATRICK,
City Auditor and Auditor of the County of Suffolk.
